

Announcement

The Whipple Prize

The Presidential Council of the European Wrist Arthroscopy Society has awarded the Whipple prize, for the lecture given at the FESSH 2007 meeting in Athens contributing most to the advance of knowledge in wrist arthroscopy, to Andrea Atzei, MD (Verona, Italy) for his presentation: "Classification and treatment algorithm of TFCC injuries". The prize will be awarded at the next FESSH meeting in Lausanne, Switzerland, 2008.

Drs Dumontier, Fontes, Luchetti, Piñal and Mathoulin
European Wrist Arthroscopy Society.
